

ER611 MoveEasy®
 Premium Pole with Ceiling Disc. –
 Anti-microbial, anti-bacterial, white.

About The Product

The adjustable MoveEasy® Pole, a free standing system that securely fixes from the floor to the ceiling, uniquely combines with a series of horizontal poles for optimum mobility. The ER611 can also be used in conjunction with the ER670 Exercise Kit for rehabilitation, exercise, and wellness. Also features anti-microbial/anti-bacterial technology for safe and easy cleanup.
